

WEB DESIGNER  
[FREELANCE]

2024

Designed and built responsive websites on WordPress for freelance clients, working on structure, layout, and visual identity to ensure clear and engaging user experience.

UNIVERSITY TENNIS TEAM CAPTAIN  
AND FOUNDER

2024/NOW

Founded the university tennis team and led its development from the ground up. Managed training organization, team coordination, and competition participation while fostering team motivation and structure. Won bronze medal in the Universiade tennis competition 2026, representing the university in a competitive national-level tournament.

NOBLE GRAPHICS  
[GRAPHIC DESIGN INTERN]

JULY 2025/  
JAN 2026

During a six-month internship as a graphic design intern, I worked on a variety of design projects, collaborated within a team, and presented work to clients. This experience helped me strengthen my design skills, as well as improve my teamwork and presentation abilities. Together with my colleague, I also won the ADCE Greatness Challenge in Bulgaria, which granted us a position as junior jurors in a well-known international design award.
